I recently tried to make my Valentine’s Day reservation at one location and only the 5 p.m. and 10 p.m. times remained. That means it’s time to make those reservations.

**The Sundial Restaurant 210 Peachtree St., Atlanta. 404-589-7506. Four-course prix fixe menu, \$70.**

If you can’t get a reservation at your choice time on Valentine’s Day, consider dining at one of these places in the days before or after the holiday. Some are serving their Valentine’s Day menus on multiple days.
