THE **ATLANTAN**

“To Live & Dine In Atlanta: Second Life”

Unbeknownst to most Atlantans, many of our top chefs don't spend every second in the kitchen. They actually have hobbies. Miller Union's **Steven Satterfield** pedals a Bianchi racing bike when he's not playing guitar in the band Seely. **Pat Faucher** of Ruth's Chris Buckhead and **Christian Messier** of Sun Dial prefer Harleys. Aria's **Kathryn King** makes jewelry and **Russell Sleight** of The Westin Peachtree Plaza rescues horses bound for the slaughterhouse. Chef **Linton Hopkins** collects first-edition books (perhaps why he has author dinners at Restaurant Eugene).
